- b) All the available options of the affiliate plan, **Basic, Pro and VIP** have the SAME Even up@ structure. The Pro and VIP sales are assigned the same way, based on the BASIC structure, with a different commission percent for Pro sales and for the VIP sales there is a difference for the commission split .
- c) We do not accept affiliates that are not our customers, because we do not have just a separate affiliate program, but the affiliate program is dedicated only to our customers.

# How our affiliate Even up® system works

## The BASIC Structure (fundamental to Pro and VIP plans)

Don't forget to watch the video – the basics of our COMPENSATION PLAN - on "[Affiliates](#)" page

### In Width:

(Img.1)

Every **Uneven** sale sponsored by you is coded to you.  
They will start each, a new line in your powerline, and this goes to an infinity of multiplying lines, because you can make an unlimited number of sales, sponsoring an infinite number of people.

Every **Even** sale sponsored by you is passed up to your sponsor (or upline).

### **So, in other words:**

- You keep all your UNEVEN (Odd) sales directly sponsored by you.

That is #1, #3, #5, #7... ALL the Uneven (Odd), to infinity, are coded to You.

- You pass up all EVEN sales, directly sponsored by you, to your sponsor /upline.

That is #2, #4, #6, #8 ....to infinity coded to your sponsor/upline

- Your 1,3,5,7...every uneven (odd) referral to infinity is a fixed referral for you and will start a new line for you
- You will pass every even referral (2,4,6,8...to infinity) to your sponsor

Img.1

## In Depth:

(Img.2)

Here is where the Magic begins.

When YOU are the SPONSOR and UPLINE and All the Even, in depth pass up sales are coded to you.

1. The Uneven customers sponsored by YOU and coded to YOU, at their turn, when they choose to become our affiliates, will sponsor their own sales.
  - They will keep the **Uneven** referrals sponsored by them.
  - They will pass up to YOU, **ALL the Even** referrals sponsored by them, so that, every **Even** pass up from them will be coded to YOU.
2. ALL the Even pass ups coded to you, at their turn, will pass up to YOU **All their Even** sales, which will be coded to you.

**Img.2**

- Your fixed referrals will pass up to you ALL their Even sales. Number 2,4,6,8,...to infinity
- Every Even referral passed up to you will also pass up to you ALL the Even sales, number 2,4,6,8,...to infinity
- Your sales team is NOT passing up any sale to your sponsor or to your upline.

They all will form your sales team, the Uneven sponsored directly by you and the Even passed up to you.

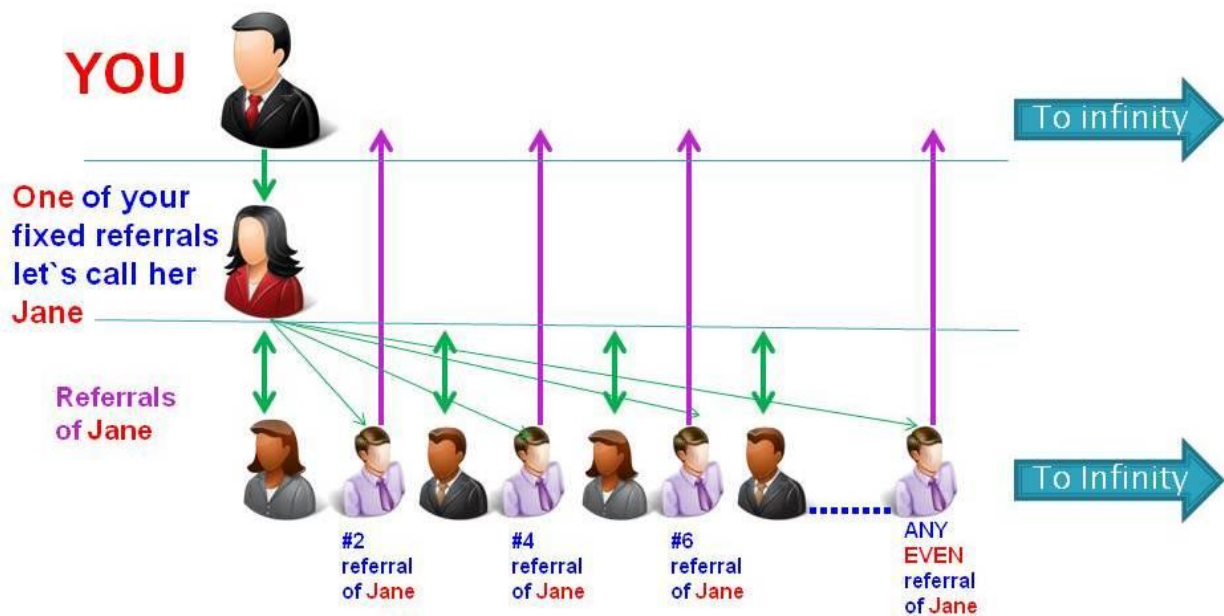

Because you can sponsor unlimited sales, every new client sponsored personally by you, will start a new line in your sales team. Usually known as downline or powerline. The number of your lines is UNLIMITED.

For a better understanding, let's split the general image into sequences.

The key elements of our affiliate plan are:

Sequence 1

**Jane** is one of your **Uneven** clients, a fixed referral coded to you.

She makes her own sales. Jane starts your first sale's team powerline.

Jane will keep the Uneven sales for her, #1, #3, #5...to infinity.

She will pass up to **You** all her Even sales, #2, #4, #6....to infinity.

**You pass up ONLY the even sales you personally make, across the WIDTH. Nothing is passed up to your sponsor/upline by your downline.**

## Sequence 2

In the image below is a potential member in your sales team.

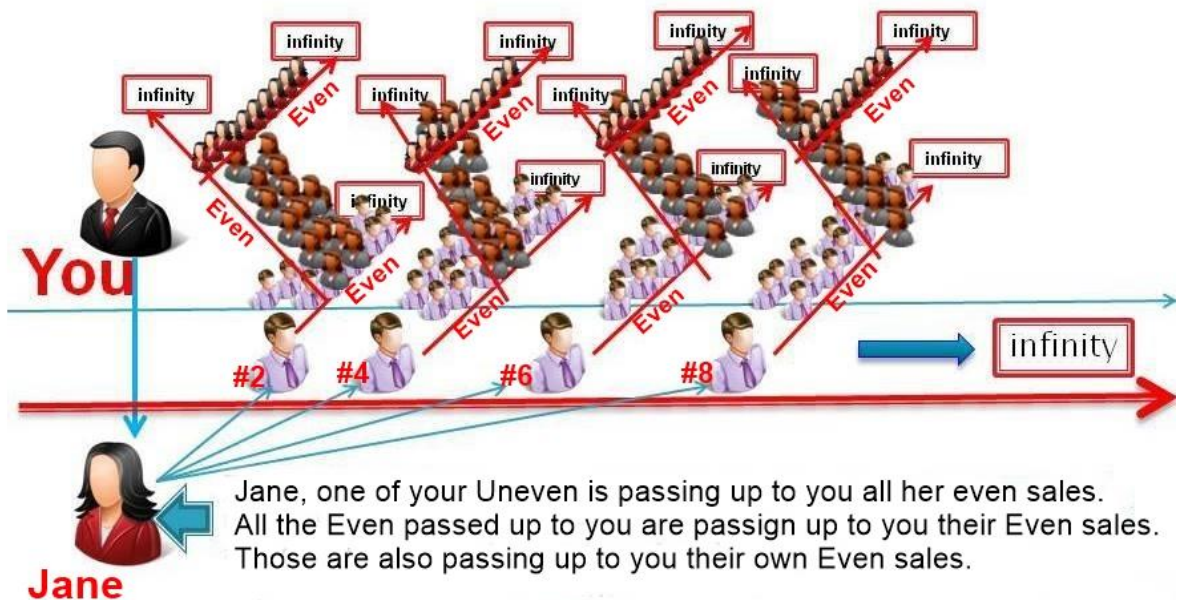

**One of the Even sales made by Jane and passed up to you.**

Jim will make his own sales. Will keep the Uneven sales, #1, #3, #5....to infinity

Jim will pass up to **You** the Even sales, number #2, #4, #6....to infinity

## Sequence 3

**Our proprietary " Even up® " formula WORKS because has no limitations in width and in depth!**

**Limitations are determined only in 1Up, 2 Up...xUp systems!** (More explanation at the end of this file)

**YOU** will receive ALL the Even sales passed up to you by your sales team which is your powerline.

*Some people may say that you pass up too many sales to your sponsor **BUT... it is NOT so, you pass up ONLY the even sales you personally make, across the WIDTH.***

Every time when someone you sponsor personally, in width, being coded to you as your Uneven, there is a New opened line that has the potential to pass up to you all their Even sales.

## **What is a Sales Team (downline aka powerline) versus your Referrals?**

**Your Downline called also Powerline (sales team):**

The totality of the sales sponsored directly by you as sponsor (your Unven) PLUS all the Even sales passed up to you (in depth).

All your downline is coded to you and once coded to you, it will be like one long level( horizontal)

Your sales team(downline) is different from your Referrals.

**Your Referrals:**

All the clients sponsored directly by you, either you keep as your Uneven, or the Even you pass up to your sponsor/upline.

## **Let`s talk Money!**

**Note:** the commission explanation refers to "DOWNLINE" as defined above.

**The BASIC package - Costs \$10 each month (+\$1.5 processor fee)**

**The only package on which we pay 100% commission on the package sale.**

The Basic package costs \$10 and we pay commission \$10 on the sale.

**The Commission also depends on the package you purchase.**

**If your membership is BASIC:**

- \$10 per BASIC sale in your downline
- \$10 per PRO referral in your downline
- \$10 per VIP referral in your downline
- Break even with your first sale (your Basic package cost of \$10 is covered)

**If your membership is Pro - Costs \$20 (+ 1.76 processing fees)**

- \$10 per BASIC sale in your downline,
- \$15 per PRO sale in your downline
- One time Fast Start Bonus of \$3 for each PRO sponsored by you (bonus assigned only to the sponsor)
- \$15 per VIP sale in your downline

**If your membership is VIP - Costs \$79** (no processing fee)

- \$10 per BASIC sale in your downline,
- \$15 per PRO sale in your downline
- One time Fast Start Bonus of \$3 for each PRO sponsored by you (bonus assigned only to the sponsor)
- \$25 for every VIP sponsored directly by you,
- \$25 for every VIP passed up to you.
- \$50 for every Uneven VIP your sponsor ( \$25 as sponsor+\$25 as upline).

For a VIP sale, the commission has a different SPLIT between the sponsor and the upline, as a twist of the system. The sponsor ALWAYS earns \$25 on a VIP sale if the sponsor is also a VIP.

**!!! For an extended explanation on the commissions for the Pro and VIP sales, see the graphic below and please view/download the Pro and VIP PDF on the [“Affiliates” page](#).**

## How a BASIC sales team commission will look like

**In the image below, there is an example of the potential commission.**

We chose only 3 Uneven referrals and a 6 steps example, where you have a Basic package and the commission comes only from Basic sales made by your downline. But the potential in width and in depth is infinite.

- Your commission from your 3 direct sponsored sales(your Uneven) is **\$30**.
- Each of your 3 Uneven referrals will pass up to you all their Even. Example: their #2, #4, #6 sales. This is 3x3 which means your new powerline passed up to you is 9, and your commission grows with \$90. Plus, your 3 Uneven, makes it **12 in your downline** and a total of **\$120** in commission.
- Each of those new 9 Even referrals passed up to you, will pass up to you their Even referrals too, #2, #4, #6...etc. So your NEW downline, in our example, would be  $9 \times 3 = 27$ , you earn \$270 as new commission, plus the existent 12 in your downline, makes it **39 in your downline** and will be total **\$390** commission.

**It goes on as it shows in the graphics. And this pattern goes indefinite.**

Stage (Level)	Even up passed up to you	NEW Downline	NEW Income	TOTAL Downline	TOTAL Monthly Income
3 of your Uneven sales(fixed)		3	\$ 30	3	\$ 30
L2	3x3	9	\$ 90	12	\$ 120
L3	9x3	27	\$ 270	39	\$ 390
L4	27x3	81	\$ 810	120	\$ 1200
L5	81x3	243	\$ 2430	363	\$ 3630
L6	243x3	729	\$ 7290	1092	\$ 10920

**Down to Infinity**

# LET'S RECAP THE BASIC MEMBERSHIP AND COMPARE THE PACKAGES

The Even up system has the same structure for all the packages but there is a difference in the commission split for the VIP package, in case you purchase a VIP package and you sell a VIP package or receive as pass up a VIP package.

COMPARE	BASIC Pack	PRO Pack	VIP Pack
<b>Monthly Cost</b>	<b>\$10</b> (+1.50 processing fee)	<b>\$20</b> (+1.76 processing fee)	<b>\$79</b> (no processing fee)
<b>Fast Start Sponsor Bonus</b> (paid one time for each PRO sale <u>sponsored</u> by you)	-	<b>\$3</b>	<b>\$3</b>
<b>Monthly Commission for:</b>			
• <b>BASIC</b> (for Each Basic in your <u>downline</u> )	<b>\$10</b>	<b>\$10</b>	<b>\$10</b>
• <b>PRO</b> (for each Pro in your <u>downline</u> )	<b>\$10</b>	<b>\$15</b>	<b>\$15</b>
• <b>VIP sponsored by You</b>	-	-	<b>\$25</b>
• <b>VIP in your downline</b>	<b>\$10</b> (includes your <u>Uneven</u> sponsored by you)	<b>\$15</b> (includes your <u>Uneven</u> sponsored by you)	<b>\$25</b>
* <i>VIP comes with a split commission for each sale, compared with Basic and Pro. A VIP sponsor is always paid \$25 for EACH VIP sale, no matter if keeps or passes up. The upline is paid \$25 on the received sale. If the sponsor is also the upline(your Uneven), will accumulate \$50 for each VIP sale.</i>			

## If your membership is Basic:

- You keep your UNEVEN (1, 3, 5...) **BASIC** sales.  
**YOU earn \$10 for each**
- Every EVEN (2, 4 ,6...) **BASIC** sale of your Uneven referrals will be passed up to YOU.  
**YOU earn \$10 for each.**
- Every EVEN (2, 4 ,6...) **BASIC** sale of the referrals PASSED up to YOU, will also be PASSED up to YOU.  
**YOU earn \$10 for each**
- For the **PRO** and **VIP** referrals in your downline you earn \$10 (100% of your pack value: **\$10**).  
**YOU earn \$10 for each**

## If your membership is PRO :

- For each **BASIC** sale in your Downline, sponsored by you or passed up to you:  
You earn **\$10** commission.
- For each **PRO** sale in your downline sponsored by you or passed up to you:  
You earn **\$15** commission
- For each **VIP** sale in your downline sponsored by you or passed up to you:  
You earn **\$15** commission
- For each **PRO** member **sponsored** by you, we pay an one time Fast Start Pro sponsor bonus  
You earn **\$3** (only if you are Pro and sponsor a Pro)  
The Bonus is paid always to the sponsor NOT to the upline.

## If your membership is VIP:

- For each **BASIC** sale in your downline sponsored by you or passed up to you:  
You earn **\$10** commission
- For each **PRO** sale in your downline sponsored by you or passed up to you:  
You earn **\$15** commission
- For each **PRO** member **sponsored** by you, we pay an one time Fast Start sponsor bonus  
You earn **\$3** (only if you are VIP and sponsor a Pro)  
The Bonus is paid always to the sponsor NOT to the upline.
- For each **VIP** sale in your downline:
  - **Even sponsored by you** you earn **\$25** commission.
  - **Even passed up to you** you earn **\$25** commission.
  - **Uneven you sponsor and keep** you earn **\$50**( \$25 as sponsor+\$25 as upline)

Which means you earn **\$50** for Uneven VIP sales sponsored by you and coded to you and you earn **\$25** for **EVERY** VIP sale you make, even you pass up that sale to your upline.

So, there is a **TWIST** in commissions assignment for the VIP package because you earn from **EVERY SALE** as **SPONSOR**, compared with the **Basic and Pro** levels.

## FAQ Answered

a) **Why we pay 100% commission on Basic package?**

You succeed, we succeed! Give and you will receive, it is what we do. We provide you with all you need for success.

b) **Why we do not offer a free trial like other companies?**

Yes, we do not give you a free trial or free entry asking you to upgrade later for a high or sometimes really surprising high and not affordable cost, and a low percent payout.

We set you up with all you need from the start for a fair low cost and a 100% payout on the Basic package sale.

c) **Is it AIOF Affiliate plan a MLM, matrix, pyramid or any scheme I should be worried about?**

AIOF Affiliate plan it is **NOT** a MLM structure. Is not a MLM as you know it by MLM definition, it is not a matrix, binary or pyramid. Nothing like that.

No matter who is passing up to you from your sales team, all the even sales from your powerlines will be always coded to you, creating for you only ONE tier, a large horizontal layer, one level that goes to infinity due to reverse multiplying lines.

When you make a sale as ODD number that sale is coded to you and you earn a recurring commission.

When you, as sponsor, make a sale as Even number that goes to your sponsor.

When you receive a pass up sale, from your sales team, that new client has no other further connection with his sponsor. Is only coded to you. Not to his sponsor, nor to your sponsor.

You earn the affiliate commission from the even up sales passed up to you.

Our Even up affiliate plan doesn't benefit a top earner like in matrices, binary or pyramid schemes, while the new ones never earn a dime. With our system any new affiliate can make money and can start immediately a sales team.

d) **Is there a different system for the VIP package sale?**

All the available options of the affiliate plan, **Basic, Pro and VIP** have the SAME Even up structure. The only difference for **Pro package** is the commission **percent**.

But the difference for the **VIP package** is the way we **assign** the commission for the VIP sale.

We use the same Even up structure as for Basic and Pro, but the commission is split between the sponsor and upline, for every VIP sale made by the sponsor, if the sponsor is VIP.

Please, refer to the comparison table above, and view/download the **VIP PDF** on the Affiliate page.

e) **Why do I have to give up my earnings for every even sale to my sponsor or upline?**

Ask yourself this question when your sales team is passing up to you all their even sales.

f) **Are the sales from my downline going to my sponsor or upline?**

NO sale from your downline goes to your affiliate sponsor or upline. You pass up to your sponsor or upline **ONLY** the Even sales you personally make in width.

g) **Is this a 1Up system? Are my earnings limited by 1 or 2 or any numbered up sales?**

There are No limitations. The plan structure allows anyone to generate an INFINITE number of sales (in width), as well receiving an INFINITE number of sales within the sales team (in depth).

Our proprietary Even up/Even-up® system it is NOT a matrix, a straight line, 2up, 3 up, 4 up or any numbered up system. Any 1 up, 2up, 4 up or 5-6 up system is limited to 1, 2, 4 or 5-6 number of sales you can receive from each member in your powerline.

Through our Even up® system structure, because is not limited in width or in depth, you can make personally an unlimited number of sales in width and ALL the even sales from ALL your downline are CODED TO YOU, in depth, down to infinity. This will create an infinity of reverse multiplying sales lines in width and in depth.

In a limited system, you cannot make more sales than the system setup, and you are locked in width and in depth, because in a limited pass up system, your powerline can generate a limited number of sales for you. So that, if people stop buying and leave, you are locked in width and in depth.
