

## IF YOU ALREADY HAVE an ePayments account:

### SENDING MONEY TO AIOP for your AIOP account

The screenshot shows the 'Payments and Transfers' section of the AIOPBT Group Ltd ePayments interface. The user is in the 'Enter details' step of a four-step process. On the left, a teal box labeled 'To another person' with a person icon and the text 'Make a transfer to another ePayments client.' has a red box labeled 'pay to AIOP' with an arrow pointing to the 'Recipient' field. Below this, an orange box shows 'Amount including fees: \$ 11.50 (Fees: \$ 0.00)'. A table lists transfer limits: Minimum transfer amount: \$ 0.10, Maximum transfer amount: no limit, and Fees: 0%. A note at the bottom states: 'In case the recipient's phone number or email is not registered with ePayments, he will be able to receive the payment after completing the registration or linking the contact details to his account.' The right side of the form contains the following fields: 'From account' (USD 95.00), 'Recipient' (001-372365), 'e-Wallet' (dropdown), 'Amount' (11.50), 'Amount including fees' (11.50), and 'Details (optional)' (Add here your Full name and AIOP username - Example: Jhon Doe [aiop username]). A red box highlights the 'Details (optional)' field with a note: 'You must add the AIOP e-wallet number' and 'Add \$11.50 or \$21.76 depends if you buy Basic or Pro'. At the bottom, there are 'CLOSE' and 'NEXT' buttons.
