

AIOPI AFFILIATE PROGRAM

PRO Affiliate Plan

Our proprietary Affiliate plan structure is an opportunity to make any amount of money you want by sharing our business tools with others, while building ANY business of your own.

Consideration:

- a) Should be noted that the structured plan available through AIOPI affiliate program it is a proprietary plan, created and owned by AIOPI. That is why our Even up/Even-up system is protected by its own **International Registered Trade Mark - Certificate of Registration OHIM No 015039399 Intellectual Property and Trade Marks Office**
- b) All the available options of the affiliate plan, **Basic, Pro and VIP** have the SAME Even up® structure. The Pro and VIP sales are assigned the same way, based on the BASIC structure, with a different commission percent for Pro sales and for the VIP sales there is a difference for the commission split.
- c) We do not accept affiliates that are not our customers, because we do not have just a separate affiliate program, but the affiliate program is dedicated only to our customers.

By now, we can assume that:

- you already know AIOPI is about an opportunity that puts in your bare hands the possibility and all the tools you will ever need to build a legitimate, fully automated online business that will be generating money for you daily.

- you have already studied the Basic structure of our Even Up affiliate plan or the **General Affiliate Plan**.

If you did not study it yet, we strongly recommend you to view/download the Basic plan PDF and to watch the pay plan overview Video that can be found on our "Affiliates" page.

OR...

If you want to have a complete image of the AIOPI Affiliate Plan, you can **view/download** the **ENTIRE** pay plan, **Basic, Pro and VIP**, all on the same file, as [General Play Plan PDF](#) on the **"Affiliates Page"** or just [CLICK TO GET IT HERE](#).

What about more benefits for you?

If you want to see your business growing **EVEN MORE** when you earn an **ADDITIONAL INCOME** just for using the business tools...you'll definitely want to check this out...the **PRO package plan Commissions**.

We know that the Basic plan commission is attractive because the product cost is \$10 and we pay \$10 commission on Basic package sale.

The downside of this 100% commission on Basic sale, if your own package is Basic, is that there are more products, and more features of the products and services included within the Basic package, which are available only with the Pro package, and no one should miss on them.

So if you want to benefit more you definitely should acquire for yourself a Pro package, more tools, more features.

But this is not all! The Pro commission on Pro sales is different than the Basic commission. Even the commission is not 100% on a Pro sale, the potential income is **HIGHER** when you are **Pro** and you **sell also Pro** packages. We shall explain below.

Our affiliate Even up® structure is the same for Basic, Pro and VIP

The BASIC Structure is fundamental to Pro and VIP but the commission percent is different for Pro, the percent and the assignment is different for VIP.

!!! Don't forget to watch the video – the basics of our COMPENSATION PLAN - on “Affiliates” page and to view/download the Basic structure file, or the GENERAL AIOP Pay Plan PDF !!!

Let`s look again at the Basic structure, in width and in depth.

In Width:

(Img.1)

Every **Uneven** sale sponsored by you is coded to you.

Every **Even** sale sponsored by you is passed up to your sponsor (or upline).

- You keep all your UNEVEN (Odd) sales directly sponsored by you.

That is #1, #3, #5, #7... ALL the Uneven (Odd), to infinity, are coded to You.

- You pass up all EVEN sales, directly sponsored by you, to your sponsor /upline.

That is #2, #4, #6, #8to infinity coded to your sponsor/upline

- Your 1,3,5,7...every uneven (odd) referral to infinity is a fixed referral for you and will start a new line for you
- You will pass every even referral (2,4,6,8...to infinity) to your sponsor

Img.1

You pass up ONLY the even sales you personally make, across the WIDTH. Nothing is passed up to your sponsor/upline by your downline.

In Depth:

(Img.2)

When YOU are the SPONSOR and UPLINE and All the Even, in depth pass up sales are coded to you, the system reveals its true POWER.

1. The Uneven customers sponsored by YOU and coded to YOU, at their turn, when they choose to become our affiliates, will sponsor their own sales.
 - They will keep the **Uneven** referrals sponsored by them.
 - They will pass up to YOU, **ALL the Even** referrals sponsored by them, so that, every **Even** pass up from them will be coded to YOU.
2. ALL the Even pass ups coded to you, at their turn, will pass up to YOU **All their Even** sales, which will be coded to you.

Img.2

- Your fixed referrals will pass up to you ALL their Even sales. Number 2,4,6,8,...to infinity
- Every Even referral passed up to you will also pass up to you ALL the Even sales, number 2,4,6,8,...to infinity
- Your sales team is NOT passing up any sale to your sponsor or to your upline.

They all will form your sales team, the Uneven sponsored directly by you and the Even passed up to you.

Because you can sponsor unlimited sales, every new UNEVEN sponsored personally by you, will start a new line in your sales team. Usually known as downline or powerline. The number of your lines is UNLIMITED.

Our proprietary "Even up®" formula WORKS because has no limitations in width and in depth!

Limitations are determined only in 1Up, 2 Up...xUp systems! (More explanation at the end of this file)

YOU will receive ALL the Even sales passed up to you by your sales team which is your powerline.

Let`s define a Sales team versus your Referrals

Your Downline called also Powerline (sales team):

The totality of the sales sponsored directly by you as sponsor (your Uneven) PLUS all the Even sales passed up to you (in depth). All your downline is coded to you and once coded to you, it will be like one long level(horizontally). Your sales team (downline) is **different** from your Referrals.

Your Referrals:

All the clients sponsored directly by you, either you keep or pass up to your sponsor/upline.

PRO Money!

Note:

The commission explanation refers to “DOWNLINE” as defined above.

The Commission also depends on the package YOU purchase

The PRO package - Costs \$20 each month (+\$1.76 processing fee)

If your membership is Basic:

- For the **BASIC**, **PRO** and **VIP** referrals in your downline either they are **Your Uneven** or they are **passed up to you**, you earn \$10 (that is 100% of your pack value which is \$10).

(You get commission for your Uneven and the Even passed up to you, but not for the sales passed up to your sponsor/upline, that happens only for VIP sponsoring VIP)

If your membership is PRO :

- For each **BASIC** sale in your Downline, sponsored by you (Uneven) or passed up to you: You earn **\$10** commission.
- For each **PRO** sale in your downline sponsored by you (Uneven) or passed up to you: You earn **\$15** commission
- For each **VIP** sale in your downline sponsored by you (Uneven) or passed up to you: You earn **\$15** commission (maximum that can be earned when your package is Pro)
- For each **PRO** member **sponsored** by you, we pay an one time Fast Start Pro sponsor bonus You earn **\$3** (only if you are Pro and sponsor a Pro)
The Bonus is paid **always to the sponsor** NOT to the upline.

If your membership is VIP:

- For each **PRO** sale in your downline sponsored by you (Uneven) or passed up to you: You earn **\$15** commission (maximum commission amount for Pro sale)
- For each **PRO** member **sponsored** by you, we pay an one time Fast Start sponsor bonus You earn **\$3** (only if you are VIP and sponsor a Pro)
The Bonus is paid **always to the sponsor** NOT to the upline.

How a PRO sales team commission will look like

- We shall assume that **you are Pro** and the commission is for **Pro sales** too.
- In the image below, there is an example of the commission potential.
- We did not add to the Pro example the One Time \$3 fast start bonus that is earned by the sponsor only.

We chose only 3 Uneven **Pro** referrals and a 6 steps example, where **you have a Pro** package and the commission comes **only from Pro sales made by your Pro** downline.

This is an ideal situation, because you may have also Basic and VIP sales in your downline, And if for VIP sales you earn \$15 commission, for Basic sales you earn \$10, the value of the Basic package.

- Your commission from your 3 direct sponsored sales(your Uneven) is **\$45**.
- Each of your 3 Uneven referrals will pass up to you all their Even. Example: their #2, #4, #6 sales. This is 3x3 which means your new powerline passed up to you is 9, and your commission grows with \$135. Plus, your 3 Uneven, makes it **12 in your downline** and a total of **\$180** in commission.
- **It goes on as it shows in the graphics below. And this pattern goes indefinite.**

Stage (Level)	Even up passed up to you	NEW Downline	NEW Income	TOTAL Downline	TOTAL Monthly Income
3 of your Uneven PRO sales(fixed)	PRO	3	\$ 45	3	\$ 45
L2	3x3	9	\$ 135	12	\$ 180
L3	9x3	27	\$ 405	39	\$ 585
L4	27x3	81	\$ 1215	120	\$ 1800
L5	81x3	243	\$ 3645	363	\$ 5445
L6	243x3	729	\$ 10935	1092	\$ 16380

Down to Infinity

How is this better than the Basic commission?

For Basic it costs you \$11.50 per month, and with 3 in downline you have \$30 commission, a profit of \$18.50 and if you are Basic, the max commission is \$10 for any sale either Basic, Pro or VIP.

For Pro, it costs you \$21.76 per month, and with 3 Pro in downline you have \$45 commission, a profit of \$23.24 and the advantage that for VIP sales, a Pro earns \$15 commission, which is the max commission for his Pro level.

Note: We know the examples are given for the sake of ideal situations example. But is not impossible to attain a decent residual monthly income, as many are already earning.

Some may comment that you need to have a heavy marketer in your sales team to be able to create the commissions for you, but this is false, is a preconception. Because, if from 15 referrals you find 3 good serious affiliates, and they can repeat at their turn, you may see the picture becoming reality.

Let`s recap the PRO membership and compare the packages

COMPARE	BASIC Pack	PRO Pack	VIP Pack
Monthly Cost	\$10 (+1.50 processing fee)	\$20 (+1.76 processing fee)	\$59 (no processing fee)
Fast Start Sponsor Bonus (paid one time for each <u>PRO</u> sale <u>sponsored</u> by you)	-	\$3	\$3
Monthly Commission for:			
• BASIC (for each Basic in your <u>downline</u>)	\$10	\$10	\$10
• PRO (for each Pro in your <u>downline</u>)	\$10	\$15	\$15
• VIP sponsored by You and passed up to your sponsor or upline	-	-	\$20
• VIP in your downline (Uneven VIP sponsored by you & Even VIP passed up to you by your downline)	\$10	\$15	\$20 <small>(you get \$40 cumulate for the Uneven VIP you sponsor and keep)</small>
* <i>VIP comes with a split commission for each sale, compared with Basic and Pro. <u>A VIP sponsor</u> is always paid \$20 for EACH VIP sale, no matter if keeps or passes up. The upline is paid \$20 on the <u>received sale</u>. If the sponsor is also the upline (for his Uneven), will accumulate \$40 for each VIP sale.</i>			

If your membership is BASIC – Costs monthly \$10 (+\$1.5 processing fee)

- \$10 per BASIC sale in your downline
- \$10 per **PRO** referral in your downline
- \$10 per VIP referral in your downline
- Break even with your first sale (your Basic package cost of \$10 is covered)

If your membership is Pro - Costs \$20 monthly (+ 1.76 processing fees)

- \$10 per BASIC sale in your downline,
- \$15 per **PRO** sale in your downline
- One time Fast Start Bonus of \$3 for each PRO sponsored by you (bonus assigned only to the sponsor)
- \$15 per VIP sale in your downline

If your membership is VIP - Costs \$59 monthly(no processing fee)

- \$10 per BASIC sale in your downline,
- \$15 per **PRO** sale in your downline
- One time Fast Start Bonus of \$3 for each PRO sponsored by you (bonus assigned only to the sponsor)
- \$20 for **every** VIP sponsored directly by you, \$20 for every VIP passed up to you. When you sponsor one of your Uneven you earn \$40.

NOTE: This the twist in commission assignment for VIP. It is a **COMMISSION SPLIT** for pass up. So that, **If you are VIP** then, for each **VIP** sale in your downline:

- **Even sponsored by you either you keep or pass up** you earn **\$20** commission.
- **Even passed up to you** you earn **\$20** commission.

Therefore, for the **Uneven** sales **sponsored by you** that you keep will be **\$40** (\$20 as sponsor+ \$20 as upline) because you are sponsor and upline at the same time for your Uneven.

Our affiliate plan is Powerful, Unique and it Works, and there are no limits in width and in depth.

FAQ Answered

- a) **Why we pay 100% commission on Basic package?**
You succeed, we succeed! Give and you will receive, it is what we do. We provide you with all you need for success.
- b) **Why we do not offer a free trial like other companies?**
Yes, we do not give you a free trial or free entry asking you to upgrade later for a high or sometimes really surprising high and not affordable cost, and a low percent payout. We set you up with all you need from the start for a fair low cost and a 100% payout on the Basic package sale.
- c) **Is it AIOF Affiliate plan a MLM, matrix, pyramid or any scheme I should be worried about?**
AIOF Affiliate plan it is **NOT** a MLM structure. Is not a MLM as is you know it by MLM definition, it is not a matrix, binary or pyramid. Nothing like that.
No matter who is passing up to you from your sales team, all the even sales from your powerlines will be always coded to you, creating for you only ONE tier, a large horizontal layer, one level that goes to infinity due to reverse multiplying lines.

When you make a sale as ODD number that sale is coded to you and you earn commission.
When you, as sponsor, make a sale as Even number that goes to your sponsor.
When you receive a pass up sale, from your sales team, that new client has no other further connection with his sponsor. Is only coded to you. Not to his sponsor, nor to your sponsor.

You earn the affiliate commission from the even up sales passed up to you.
Our Even up affiliate plan doesn't benefit a top earner like in matrices, binary or pyramid schemes, while the new ones never earn a dime. With our system any new affiliate can make money and can start immediately a sales team.

d) **Is there a different system for the VIP package sale?**

All the available options of the affiliate plan, **Basic, Pro and VIP** have the SAME Even up structure. The only difference for **Pro package** is the commission **percent**.

But the difference for the **VIP package** is the way we **assign** the commission for the VIP sale.

We use the same Even up structure as for Basic and Pro, but the commission is split between the sponsor and upline, for every VIP sale made by the sponsor, if the sponsor is VIP.

Please, refer to the comparison table above, and view/download the VIP PDF on the Affiliate page.

e) **Why do I have to give up my earnings for every even sale to my sponsor or upline?**

Ask yourself this question when your sales team is passing up to you all their even sales.

f) **Are the sales from my downline going to my sponsor or upline?**

NO sale from your downline goes to your affiliate sponsor or upline. You pass up to your sponsor or upline ONLY the Even sales you personally make in width.

g) **Is this a 1Up system? Are my earnings limited by 1 or 2 or any numbered up sales?**

There are No limitations. The plan structure allows anyone to generate an INFINITE number of sales (in width), as well receiving an INFINITE number of sales within the sales team (in depth).

Our proprietary Even up/Even-up® system it is NOT a matrix, a straight line, 2up, 3 up, 4 up or any numbered up system. Any 1 up, 2up, 4 up or 5-6 up system is limited to 1, 2, 4 or 5-6 number of sales you can receive from each member in your powerline.

Through our Even up® system structure, because is not limited in width or in depth, you can make personally an unlimited number of sales in width and ALL the even sales from ALL your downline are CODED TO YOU, in depth, down to infinity. This will create an infinity of reverse multiplying sales lines in width and in depth.

In a limited system, you cannot make more sales than the system setup, and you are locked in width and in depth, because in a limited pass up system, your powerline can generate a limited number of sales for you. So that, if people stop buying and leave, you are locked in width and in depth.
